DAY OF UPSETS AT LATONIA

CALASH THE ONLY FAVORITE THAT SUC-CEEDS IN FINISHING FIRST.

Busy Man and Zienap Among the Generally Unexected Winners-Rain Follows Races and Mud Runners Will Have Chance Today.

Cincinnati, O., June 28.—Improved track conditions accounted for fields of increased size zoing to the control of the conditions accounted for fields of increased size zoing to the condition of the various pages at Latonia this afternoon, and some horses of fair class participated in the sport. Form upsets were frequent, five choices being downed, the exception being Calash, winner of the opening dash. The weather was extremely hot until just before the horses were dispatched in the closing race. Then rain fell steadily until after the finish, when it ceased momentarily, only to descend again a little later in a torrent that will give mud runners another chance tomorrow. The principal upset came with the running of the fifth race, when Busy Man showed his heels to a band of sprinters that included Madman, Wool Sandis and Al Muller. A handicap at one mile, developed into a spirited struggle during the last fungle between Zienap and Old Honesty. The latter was favorite, but Jockey Lee, who had the mount, made the mistake of racing him into exhaustion during the early stages in an effort to wear down the speedy Tom Hayward, which so weakened him that he was unable to withstand Zienap's sturdy challenge. The Schulte mare, by her performance today, showed form that will bring her a following on the New York tracks upon her shipment from here.

The change of riders from Mountain to Coburn worked a noticeable improvement in My Gal. She was in with a fair band and made them look cheen. There was some rough riding and much crowding in the stretch, which she escaped, and this might have had something to do with her decisive victory. The opener went to Calash after a sensational stretch run, which brought him from a rear position. The showing of G. M. Miller, a first timer, was creditable and he may make a good race.

Point Lace, a recent acquisition by T. W. Flynn, the former Chicago police lieutenant, made good at the first asking for her new owner by taking the hidred race from Vanen and Quagga. The favorite, Albert Star, although bumped soon after the start, performed poorly and gave his disgramted backers and the constitution of the prince of the constitution o

GUARANTORS' FUND REMAINS INTACT.

No Occasion for Drawing on Owners' and Breeders Association So Far at New York.

New York, June 28.—No first-class horses are engaged for tomorrow's racing card at Sheepshead Bay. It will be an off-day program in every respect. Sciling platers predominate and the fields are weak numerically in the second, third, fourth and sixth races. Five days of racing each week on metropolitan tracks from now until next November is practically assured, and there is a strong likelihood that the full week will be utilized in intural and the tracks. It to the present the \$100,000 and the tracks of the present of \$100,000 and the tracks. It is the present the \$100,000 and the tracks. The tracks of the season or granulate racing associations against loss in certain stakes given by them is intact. Both the Belmont and Gravesend meetings netted a profit. Arcite worked today in preparation for the Commonwealth a mile and an eighth in 1:56. Sir Cleges worked six furlongs in 1:15. Celt cantered a half mile in 53, in slow but progressive work and pulled up soundly. Lady Bedford worked an impressive mile in 1:42, and is in rare form. Maskette was given an advance trial for the Mermaid of a mile in 1:50.

The July sales of thoroughbred yearlings will commence at the Fasig-Tipton Compāny's Sheepshead Bay paddocks tomorrow noon.

WHERE LATONIA FELL BEHIND.

Cincinnati, O., June 28.—While the current Latonia meeting has not been what might be called a financial success, it should not be inferred that the public have failed to patronize racing. The paid admissions show differently, for these are thirty-three per cent over last spring's and over sixty per cent more than last fail's. The bookmaking end, for which the management of the track made a fight, did not hold up, and the income from that source was not near what was expected. The very ones for whom the track management jeopardized its existence as a race course failed to show up in sufficient numbers to make the season a profitable one.

All told, the ring was worth about \$1.800 a day to the track. If the same number of people would have visited the course with nari-mutuels in operation the income from the ring would have been \$5,000 a day or more, and the meeting would have been a great financial success.

LATONIA LEASING PLAN ABANDONED.

Cincinnati. O. June 28.—The contemplated project of Harney Schreiber, Frank Bain and Colonel W. E. Appliegate to lease the Lationia track for the purpose of continuing the meeting has been abandoned, it was intended to submit the proposition to the Latonia Jockey Club directors today, but it became evident that the proposition would not meet with favor, so it was not broached. The Latonia directors' aversien to turning the plant over for the proposed extension is said to be because it might prejudice their case now before the Court of Appeals in the squabble with the racing commission.

BEDWELL'S STAKE NOMINATIONS VOID.

Cincinnati, O., June 28.—The nominations that H. G. Bedwell made for the Empire City Racing Association's stakes are void because of an unpaid forfeit against one of his horses, of which he was unaware.

REMARKABLE AMOUNT OF MONEY DISTRIBUTED THROUGH THE ASCOT MEETING

Some time prior to the recent Ascot meeting in England Dally Racing Form called attention to the fact, peculiar to this great meeting, that its entire program is one of stake races exclusively. As an English writer puts it, it is a meeting where people "think in thousands," and the values are something wonderful. As a result none but the best horses are seen in action there. Racers of moderate class have no business at Ascot. The amount of money distributed daily is something to make an American owner's ment haver. An exposition of the daily items makes interesting reading and are given in detail here. The Americans did not fare any too well at the Ascot meeting, but Mr. Keene has the satisfaction of having won the most valuable race yet credited to an American owner in England this year when Wedding Beils galloped home in front in the Forty-Seventh New Biennial Stakes. In the table below each race of the meeting, the placed horses, weights and values to the winners are given and the daily returns are simply astonishing.

New York, June 28.—Gowan, which last started in the Metropolitan Handicap, was destroyed Saturday at Belmont Park. Shortly after the rise of the barrier in the Metropolitan, Gowan swerved across the track and struck the inside rail. Jockey J. Bergen instantly realized that the mare was crippled and pulled her up sharply. Iracture of the stifle and upon the veterinarian's advice. James Caffrey, Gowan's owner, decided not to attempt to again train her. It was Mr. Caffrey's intention to retire Gowan to the stud had she been saved, but complications set in a week ago which resulted in blood-poisoning. Gowan was a chestnut filly, four years old, by Armeath II.—Meadowley and held the Belmont Park record of 2.32½ for a mile and a half, made last October. In her career Gowan had run forty-five races and won six and \$4,756.

FEELING AROUSED AT SALT LAKE CITY.

Salt Lake City. Utah. June 28.—Lester Freed, a prominent member of the board of directors of the Utah Fair Association, has resigned as an outcome of the recent refusal of the hoard to permit the running of the Utah Joskey Club's meeting to its scheduled end. Mr. Freed has sent a biting letter to the public press, in which he declares himself out of sympathy with the dominating policy of J. G. McDonald, president of the association, who was sustained by the board after having announced on his own responsibility that the Utah Jockey Club's lease of the Fair Grounds track would be canceled June 25. Mr. McDonald has announced that betting will not be permitted in connection with the races at the state fair next fall.

MET AMERICAN TURFMEN IN FRANCE.

New York, June 28.—Timothy D. Sullivan, writing from Europe, speaks of having met numerous American turfmen in France: "They all told me that they were doing well." he writes, "and they looked to me a happy and contented lot. I saw Eugene Leigh and John Campbell, the trainers, and I also met Duke, who used to train Richard Croker's horses in Ireland, but who is now engaged in a similar capacity by William K. Vanderbilt. As for the jockeys, I met Milton Henry, who has a habit of landing on top of a winner more often than any of the other boys; then there were Frank O'Neill, Winnie O'Connor, Nash Turner, Patsy Freeman and young McIntyre. They all tell me that they are treated fine."

MILLER'S FRIENDS BECOMING APPREHENSIVE

New York, June 28.—The fact that up to the present time jockey Walter Miller has not been granted a license to ride in England has caused some apprehension among his friends. It is believed that the license committee of the English Jockey Club has not acted faverably on his application because of his trouble in California. It is said that Miller went abroad with strong credentials from persons of standing on the turf and in the business world,

Mile and Sixteenth Over the Grass in 1:45%-Stanley Fay Finishes Last After Other Owners Object to His Starting.

Hamilton, Ont., June 28.—An excellent racing program was provided by the Hamilton Jockey Club today. Besides the Canadian Handicap, the conditions of which called for starters to be the property of Canadian breeders, there were provided as additions of which called for starters to be the property of Canadian breeders, there were provided as additional attractions a sprint race at seven furlongs, in which some fast horses went to the post, two steeplechase races and a race over the grass course. The Canadian Handicap was robbed of much of its interest by withdrawals which reduced the field to three starters. The owners of the absentees objected to William Walker being permitted to start Stanley Fay in the race on the ground that his breeding farm had not yet materialized. The officials decided that Walker, who has a farm near Toronto, was engoled to start the same a farm near Toronto, was engoled to start the same a farm near Toronto, was engoled to start his same a farm near Toronto, was engoled to start his same a farm near Toronto, was engoled to start the same and the starter of the property of the same and St. Elmwood both beating him out. Toronto and St. Elmwood both beating him out. Toronto the last-named pair, with Tourene first past the ludges by a short head. It was a stirring contest from start to finish and aroused much enthusiasm. St. Elmwood and Stanley Fay alternated in forcing the early pace and not until straightened out in the homestretch did Tourenne loom up as a dangerous factor. He closed stoutly under punishment and got up to head St. Elmwood in the final strides.

OLD TIMER RETURNING TO TURF.

New York, June 28.—The present favorable turn for racing will probably bring another old timer back to the fold as an owner. John Monahan, who raced prominently up to a few years ago, intends to buy a few horses, capable of winning good races. The Monahan silks were formerly seen frequently in front, especially when borne by The Rhymer, one of the best sons of The Bard, and by Contend.

BAYARDO MAY BE BEST THREE-YEAR-OLD.

London, Eng., June 28.—It is on the card that Mr. Fairie's Bayardo, whose merits were so much discussed last month prior to the race for the Two Thousand Gnineas Stakes, in which he lost his admirers a pile of money, may, after all, turn out to be the best three-year-old of the season.

The son of Bay Ronald and Gallcia displayed a flash of his brilliant two-year-old form at Sandown Park, when he not only reversed his Guineas and Derby running with W. Raphael's Louviers, which was placed in both of the events mentioned, by winning the rich Sandringham Foal Stakes, but did it very easily, indeed.

The race was for three-year-olds and was not a handicap, but the weights ranged between 136 bounds and ninety-eight pounds. Bayardo and Louviers both having to carry the highest impost.

Danny Maher and W. Griggs weights and the Wellington Handicap, on Mr. Cazalet's San Antonio and Mr. Massett's Hayden, respectively, and Griggs' winning mounts were Sol Joel's Sundron in the Alington Two-Year-Old Plate and Lord Carnarvon's Torbay in the Atlanta Cup.

Mart Demarest, who gave Walter S, House's Norbit a boost of \$500 Saturday, was identified with the trotting turf for years.

"Handriding" Kelly was suspended at Victoria last week on acount of having been in unfit condition for riding as a result of excessive reducing.

They're Off and Beckon, of the Brownleigh Park Stable, will get a slow, careful preparation. Both will be pointed for the meeting at Saratoga Springs.

The purses for the Butte meeting will range from \$250 to \$500, with seven races daily. For the first seven days of racing the daily distribution in purses will average \$2,000.

Jockey Page has practically recovered from the injuries sustained in the last race in which he rode at Latonia and he probably will make his eastern debut at Sheepshead Bay today.

Clarence H. Mackay has retained a number of yearlings for the American turf. The eleven that he shipped abroad Saturday, to be sold in the European markets, were all by Meddler.

After winning the Beacon Steeplechase at Sheepshead Bay Saturday, Waterspeed pulied up in such condition that it was only with difficulty that she was led into the winner's circle. She was badly broken down.

Jockey Keogh, who went to Victoria, B. C., to ride for the St. James Stable, may not remain there long, as I. H. Wheatcroft is thinking seriously of sending him cast to ride for him at Hamilton and New York.

It is said that if the attendance this week keeps up to the promise of last Thursday and Saturday, the Concy Island Jockey Club will arrange for five days of racing each week throughout its meeting instead of the scheduled four.

I. H. Wheatcroft, owner of the St. James Stable, has nominated twenty-five sucklings in the Futurity Stakes of 1911. At present he has 162 horses on his Kentucky farm which will be shipped to the Pacific coast to strengthen the St. James Island division,

Winner—Ch. c, by Kilmarnock—Fulano (trained by W. Shields).

Went to post at 3:01. At post 5 minutes. Start good. Won driving; second and third the same. I awyer Millar ran under slight restraint, followed the pacemakers closely, came through on the inside when cantering the homestretch and outstayed Gold Front in the final drive. Gold Front lost much ground on the turn for home, where he was taken very wide, but finished gamely. King Holladay unseated his rider while at the post and ran away a half mile, had a rough trip in the race and met with much interference and might have won but for his misfortunes. AFTERMATH OF THE TIDAL.

New York, June 28.—James R. Keene was much gratified by the victory of Hilarious in the Tidal, not so much because of the speed, the Voter colt showed as because he demonstrated that he could take up his weight and carry his speed over a considerable distance of ground.

There were two reasons Hilarious did not run the Tidal mile and a quarter in better than 2:06 —the going was cuppy as a result of rain Friday evening and the Voter colt had to breast a stift breeze in his run through the long homestretch.

These things considered, Hilarious made very good time. He was not extended in any part of the race, and Mr. Keene believes he will beat Fitz Herbert, the Suburban winner, when he tackles that shifty son of Ethelbert and Morganatic in the Lawrence Realization is one mile and five furlongs.

Sam Hildreth watched Hilarious with critical interest in the Tidal and conceded that the Voter colt made a first-rate showing. But for all that he is confident that Fitz Herbert will beat him over the one mile and five-furlongs route.

Horsemen are saying that in dissensing the question of three-year-old supremacy, Mr. Keene's wonderful filly, Maskette, should not be overlooked. It is understood that trainer Rowe believes Maskette is "some pounds" better than Thious and more than a match the satisfaction of the riquestion puffer fitz Herbert and Maskette as well as Hilarious go to the post for the Advance Stakes, for which all three are eligible.
